

Identify the Universe

July 27th-29th

LCET summer camp for Years 10, 11, 12 & 13

Dent the Universe

Dent the Universe is a 3 day, 2 night activity break for anyone in years 10, 11, 12 & 13. It's for those who want to have fun, think more about the deep stuff of life and discover new strengths and skills.

This is how it works... you get to take part in everything from crazy games & challenges, to swimming, movies and art... all designed to be part of a unique opportunity to find out more about the impact God has on us and the impact we can have on the world.

'Dent the Universe' takes place at the b.1 cafe in Luton town centre... a well-known and exciting venue, with space to chill out and explore what the Christian faith means to you. We start on Monday, 27th July and finish on Wednesday, 29th July: the first week of the summer holidays.

The cost is £39. To get started, you need to fill in your details and return it to us. We'll then send you an information pack with everything you need to know!
