WHAT IS LOOK BEFORE YOU LEAP?

It's a **5 day activity holiday** organised for anyone at secondary school who wants to have fun, think about the deep stuff of life and discover new strengths and skills.

This is how it works. You get to do everything from crazy games and challenges to drama and art, all designed to get you seeing more of your potential. There'll also be the chance to take part in a whole range of sports, plenty of space to chill out and a few surprises. It's all wrapped up in a challenge to explore the Christian faith and what it means for your life. There's even **special activities** for years 10 and 11. The camp takes place at **Alton Castle**, less than a mile away from **Alton Towers**, the UK's best theme park. And yes, it's a castle complete with a games room in the dungeon, a crypt and a number of resident "bats"! There's also a **skate park** and plenty of space to hang out. Included in the camp is a **visit to Alton Towers**, just about the coolest place to spend a day on some of the UK's best roller coasters, including **TH13TEEN**, the new ride for 2010!

WHO ARE WE?

We're a local charity working with young people since 1993. We were set up to provide a whole range of activities including assemblies and pastoral support in schools, a drop cafe and arts centre and residential. We've run holidays like this since 1994 for thousands of local young people and we think they are the best value and most fun around.

All our activities are run by our experienced staff team together with help from local teachers and youth workers. We aim to provide a fun, safe and rewarding holiday for young people from all backgrounds. We have comprehensive health and safety and child protection policies and make the safety of your child our highest priority.

We do expect a high standard of behaviour from young people, especially in the way they treat others, and reserve the right to decline a booking if we believe this is a concern. We welcome enquiries from parents and will be happy to let you have any information you need before making a booking.
